## UX Design intern

### Fidelity Investments

May 2017 - August 2017

Worked on an agile design team alongside researchers and developers creating everything from concept designs and prototypes to final deliverables.

## Designer

### Ation Student Agency

August 2017 - Present

As a Project Manager I led a team of 6 students working with The ISA (International Studies Association) to improve their digital experience for customers on their upcoming conference in San Francisco.

## Design Intern

### UConn Center for Career Development

January 2017- Present

Created promotional animated informational videos, posters and web content for the center's website, as well as photographed and edited professional photos for students.

## Web Intern

### Intrigue.TV

June 2016 - August 2016

Designed and created website for a local TV station. Worked on short animated bumpers for TV show intros and credits.

## Case Competitions

### UConn Business School

August 2016 - Present

For the past two years I have participated in three 15 day long case competitions with a small team of 4 to develop progressive solutions to real world problems.
